EXPERIENCE

2014-PRES

Staff and salary administration coordinator at

Primary responsibilities involved managing the financial aspects of the company. Including payroll and benefits for the employees as well as maintaining bookkeeping and invoices. I was also responsible for planning and scheduling for our customers, as well as managing a team of 8 consultants and planning/scheduling for them as well.

2013-2014

Hatchery consultant at Sweprima AB

My work as a consultant in the poultry industry involved carefully separating male and female chickens, a task that required a great deal of focus and attention to detail.

2012-2013

Warehouse worker at Student Consulting

During my time as a warehouse worker, I learned how to work at a fast pace with punctuality, and precision. My assignments were with Lekmer, Nelly & Carlsberg in Falkenberg.
